PLEASE READ BEFORE COMPLETING:

The information you provide on this form will be used to further evaluate your training and experience as it relates to the position for which you are applying. This questionnaire is a supplement to your application and is made a part thereof.

PURPOSE STATEMENT

The job of public works is best described as keeping property and/or equipment in good working condition by making necessary repairs in a timely order. Public works personnel must be capable of performing various skilled and unskilled tasks to maintain proper operation of the Village water and sewer systems, including the wastewater treatment plant. Additionally, individuals are responsible for all Village infrastructure, i.e., streets, parks, municipal buildings, swimming pool, and any other municipal facilities. Positions are directly accountable to the Village Board and are compensated on an hourly basis upon the employee's ability to handle the various tasks. Heavy manual labor and inclement weather will sometimes be associated with this position.
